Greetings from MACCI and Scientific Jugaadfunda,

CONFIDENTIAL: DO NOT SHARE WITH THE STUDENTS. SHARED FOR INFORMATION PURPOSES.

This mail is in regards to the results of the **Psychometric Test** conducted on **2 July 2021**.

Kindly Note:

1. The sheet contains the names of students who have successfully submitted the test.
2. This was the final test and the score is shared only for information purposes, this score will be considered for the final selection.

3. Kindly do not share the results with the students.

4. Final 50 students who are selected for the Industry Connect Internship Program will be contacted by MACCIA individually by 19th July 2021.

5. **The students will be notified correctly if they have been selected or not.**

For any queries or questions, kindly mail-
join@jugaadfunda.com or training@maccia.or.in

Thanks and Regards,
Team Scientific Jugaadfunda

To,
ccentures,
U.P.

Subject: - Invitation regarding to conduct a one week workshop for engineering students.

Dear Sir,

Everest Educational Society's Group of institutions, are running an Engineering institute under the name EESGOI, established in the year 2009-2010. We offer Degree courses in Electrical, Mechanical, Computer Science & Civil Engineering. We are having excellent infrastructure & Quality & Enthusiastic faculty members to give academic input to students. Our teachers are committed to the development of multi dimensional personalities through technical education. To add to their knowledge, we plan workshops in every semester; the objective of this activity is to give Industrial Exposure to our students so that they become ready to face the challenges of tomorrow.

I request you to conduct a workshop at our premises.

We ensure that,

- ✓ Students will abide by rules & regulations.*
- ✓ Students will maintain discipline and follow the instructions given by the authorities.*

We hope you will consider the request and permit them to learn Engineering concepts practically and co-relate theory with practical.

Hope you will extend the hand of co-operation and help in strengthening Institute interaction. Looking forward to your reply in anticipation.

Thanks.

*With best Regards,
Prof. Sk.Sohail Mohiyodin,
Head of Department,
Electrical Engineering,
Everest Educational Society's
Group of Institutions,
AURANGABAD.
7350162692.*

Respected sir,

As per our discussion in the college we are available
to take the webinar Campus To Industry from 18 th
June.

With Warm Regards,

Rupali Agrawal

Channel Partner (Aurangabad) Maharashtra

Department of Electrical Engineering

Work Shop on

"E- Vehicle"

Date of Activity held	18/06/2021 To 24/06/2021
Time	10:00 AM to 05:30 PM
Type of Activity	One Week Workshop
Resource Person	Mr. Sachin Angal
Professional Details of Resource Person	Ccentric Learning
Year / Class	SE,TE and BE
No. of students	25
Activity In charge	Prof. Shaikh Sohail Mohiyodin

Description of Activity:

The session is being inaugurated by the Head of Electrical Engineering Department Prof Shaikh Sohail Mohiyodin. Post inauguration ceremony, Mr. Sachin Angal been felicitated by Prof. R.D. Shelke. Afterwards, final year student Al Jeelani Habeeb Noman introduced speaker for the session to the attendees. Topics Covered by speaker are as follows.

Morning Session:-

Day-1
<ul style="list-style-type: none">• This Course covers aspect about design requirements of electric vehicle to meet the stringent Safety norms presented by global testing and certification agencies.•• Recognize and Understand the various High Voltage components present in electric and Hybrid vehicle's•• Understand the Key design requirements for safety of electric vehicle systems•• Understand the Degree of protection requirements of key electric vehicle components as

Everest Educational Society's Group of Institutions C.O.E. & T.

Department of Electrical Engineering

specified in the International regulations.

-
- Understand the Water and dust protection requirements for High voltage cables in Electric and Hybrid Vehicle applications.

Day-2

- Recognize High Voltage Cables and requirements for Electric Vehicle architecture
-
- Understand the operational requirements of various high voltage safety systems
-
- Understand the High Voltage Interlock systems, its operation, failure control techniques
-
- Understand the Electrical Isolation requirements in Electric Vehicle Design
-
- Understand the Isolation Fault detection systems for EV and HEV Application
-
- Understand the Capacitor Discharge systems for High Voltage Safety

Day-3

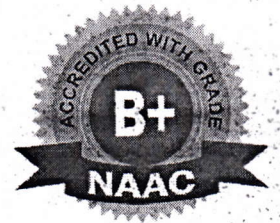

- Understand the operation of High voltage systems in the event of a Crash or accident.
- Measurement and Calculation methods for isolation resistance in Electric Vehicle Components

Day 4 and 5:-

- Understand the application of High Voltage Multimeters and Insulation Testers for Practical measurements in electric vehicle systems.
-
- Understand how to perform measurements in components like Electric motor, Inverter, Battery Packs etc.
- Understand the standard operating procedure of safely disconnecting high voltage systems in electric and Hybrid Vehicle's

At last Vote of Thanks was delivered by Prof. Shaikh Sohail Mohiyodin.

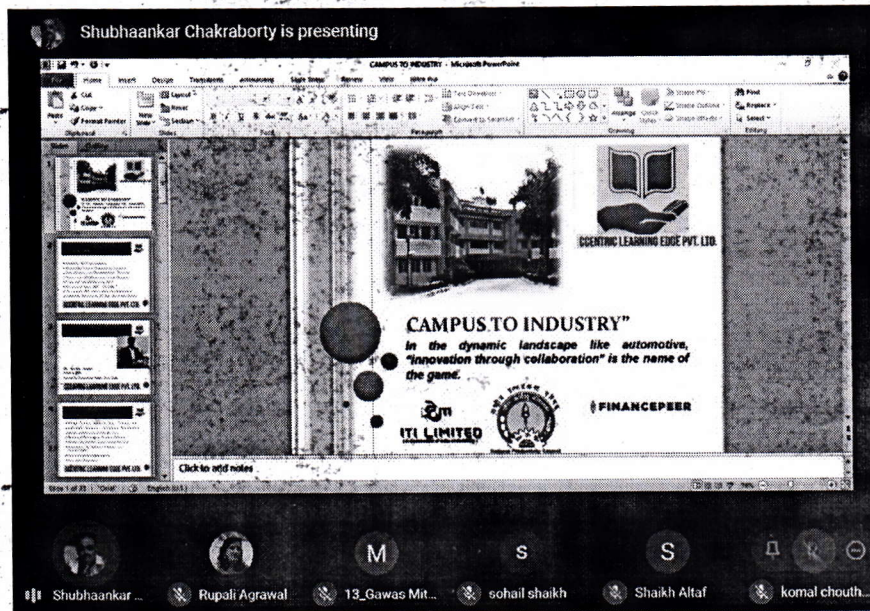

Program was concluded and certificates to the participants were given by the hands of Head of the Department.

100% Training Cum Placement Program for Engineers at ITI Limited, Raebareli, UP

Candidates have been placed in companies like ■ JBM Group, Escorts Limited, Volvo Group, Spark Minda and JCB India

Selection Process:

- Online Test & Technical Counselling

100% Placement - Pay After Placement

A Job of a lifetime in 4 months

CLE specially designed Program for Engineering Graduates to get them ready for an Engineering Job in 4 months. Don't miss this opportunity to get ahead of others for the best jobs and career.

Approaching the best place for your Training Cum Placement Program

Interested Students please send us your updated resume at Rupali@centriclearning.com or call Ms. Rupali +91 – 8999932144 (Aurangabad , 431001)

ELECTRIC VEHICLE SPECIALIST

GET YOUR
DREAM JOB

A Job of a lifetime in 4 months

Campus to Industry

To,
Director,
Examination and Evaluation,
Dr, Babasaheb Ambedkar Marathwada University,
Aurangabad.

Subject: Suggestion for taking end semester examination in online mode.

Respected Sir,

With reference to the above cited subject, we are taking feedback from various stake holders like students, Teachers, Alumni, Parents, and Employer etc. Taking concerns regarding corona most of the students were given in feedback that to avoid the contact contactless examination to be organized for engineering students for the upcoming semester end examination. Hence on behalf of students we are requesting you to please organize upcoming exams in contactless mode probably online mode.
