Date of Activity held	19 <sup>th</sup> July 2021.
Time	2:00 pm
Type of Activity	Seminar
Resource Person	Mr. V.S. Karwande
Year / Class	All staff members and ME students
No. of Participants	15
Activity In charge	Prof. N.S. Kalyankar

**Description of Activity:**

Plagiarism is the act of supplying the words, ideas, or pictures of some other as your own it denies authors or creators of content material the credit score they're due. Whether planned or unintentional, plagiarism violates moral requirements in scholarship. Writers who plagiarize disrespect the efforts of authentic authors via way of means of failing to well known their contributions, stifle in addition studies via way of means of stopping readers from tracing thoughts lower back to their authentic sources, and unfairly brush aside folks who exerted the attempt to finish their personal work.

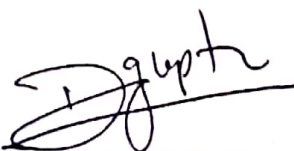

The Faculty of Mechanical Engineering Department Prof. N.S. Kalyankar handle this activity. All staff members, HOD's and ME students participate in this beneficial seminar.

Dear Sir,

Everest Educational Society's Group of institutions, are running an Engineering institute under the name EESGOI, established in the year 2009-2010. We offer Degree courses in Electrical, Mechanical, Computer Science & Civil Engineering. We are having Excellent infrastructure & Quality & Enthusiastic faculty members to give academic input to students. Our teachers are committed to the development of multi dimensional personalities through technical education. To add to their knowledge, we Organize technical courses in every semester, the objective of this activity is to give skill development to our students so that they become ready to face the challenges of tomorrow.

I request you to enlighten our students by conducting seminars at our Institute.

Looking forward to your reply in anticipation.

Also let us know the Date , Title of your seminar and speaker name with C.V.  
tentative date decided by management is 24th May 2021 at 10 am.

Thanks.

With best Regards,
