Subject: - Regarding permission for Internship at your organization.

Dear Sir,

We, Everest Educational Society's Group of institutions, are running Engineering institute under the name EESGOI, established in the year 2009-2010. We offer Degree courses in Electrical, Mechanical, Computer Science & Civil Engineering. We are having excellent infrastructure & Quality & Enthusiastic faculty members to give academic input to students. Our teachers are committed to the development of multi-dimensional personalities through technical education. To add their knowledge, the objective of this activity is to give Industrial Exposure to our students so that they become ready to face the challenges of tomorrow.

I request you to grant permission to our students for this Internship in your esteemed organization at least four weeks.

We ensure that,

- ✓ Students will abide by rules & regulations of the Organization.
- ✓ Students will maintain discipline and follow the instructions given by the authorities.

We hope you will consider the request and permit them to learn Engineering concepts practically and co-relate theory with practical.

Hope you will extend the hand of co-operation and help in strengthening Plant-Institute interaction.

Looking forward to your reply in anticipation.

List of Students for this internship is attached with this letter.

Thank With best Regards,

Prof. Sk. Sohail Mohiyodin

Subject: Request for Internship Permission at Your Organization

Dear Sir/Madam,

I am writing to you on behalf of Everest College of Engineering & Technology, which was established in the year 2009-2010. Our institution offers degree programs in Electrical, Mechanical, Computer Science, and Civil Engineering. We take pride in our excellent infrastructure and dedicated faculty members who provide high-quality education. Our commitment lies in shaping well-rounded individuals through technical education. To enhance our students' knowledge and skills, we aim to expose them to real-world industrial experiences, equipping them to tackle future challenges effectively.

I kindly seek your approval to permit our students to participate in a four-week internship at your esteemed organization. I want to assure you that our students will strictly adhere to your organization's rules and regulations, maintaining discipline and following all instructions provided by your authorities.

We firmly believe that this internship opportunity will empower our students to apply engineering theories in practical settings, effectively bridging the gap between theoretical knowledge and its practical applications. We remain optimistic that you will view our request favorably and grant our students the chance to learn and grow under your mentorship.

We eagerly anticipate your positive response. The enclosed list provides details of the students participating in this internship.

Thank you for your cooperation and support.

Subject: Request for Internship Permission at Your Organization

Dear Sir/Madam,

I am writing to you on behalf of Everest College of Engineering & Technology, which was established in the year 2009-2010. Our institution offers degree programs in Electrical, Mechanical, Computer Science, and Civil Engineering. We take pride in our excellent infrastructure and dedicated faculty members who provide high-quality education. Our commitment lies in shaping well-rounded individuals through technical education. To enhance our students' knowledge and skills, we aim to expose them to real-world industrial experiences, equipping them to tackle future challenges effectively.

I kindly seek your approval to permit our students to participate in a four-week internship at your esteemed organization. I want to assure you that our students will strictly adhere to your organization's rules and regulations, maintaining discipline and following all instructions provided by your authorities.

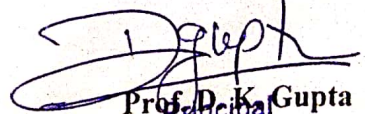

We firmly believe that this internship opportunity will empower our students to apply engineering theories in practical settings, effectively bridging the gap between theoretical knowledge and its practical applications. We remain optimistic that you will view our request favorably and grant our students the chance to learn and grow under your mentorship.

We eagerly anticipate your positive response. The enclosed list provides details of the students participating in this internship.

Thank you for your cooperation and support.

Warm regards,

Prof. D.K. Gupta

**Subject: Suggestion from Teacher regarding to arrange or organize FDP for faculties
by the University.**

Respected Sir,

With reference to the above cited subject, currently we taken feedback from faculty members of engineering. Faculty from computer science engineering department have suggested to arrange or organize FDP by university. Hence we are requesting to arrange FDP for all affiliated engineering college faculty members by the university which will enhance the skills of the faculty members.

Please consider the above suggestion and make necessary arrangement.

Thanking you.....
